

It's All About Your Health

Promoting Environmental Health in Communities

Fenimore Landfill

The Agency for Toxic Substances and Disease Registry (ATSDR), a federal public health agency, is seeking comments from the community about your health concerns regarding the Fenimore Landfill site.

If you are interested in sharing your concerns and/or being considered for participation in small group community sessions (tentatively planned for late June), please contact us at 1-855-257-4914, Monday through Friday, 9AM – 5 PM beginning June 2 through June 13, 2014.

ATSDR staff will gather your concerns and answer your questions about our Fenimore Landfill public health activities.
