Program Director

November 25th, 2020

Dear Roxbury Residents,

We hope this letter finds you and your family well at this time. Effective Monday November 30th, Roxbury Social Services will be going back to many of the procedures it had in place in the spring of this year. Those procedures are as follows:

- Roxbury Social Services will no longer be able to except any donations except for food pantry items, toiletries, paper products, monetary donations, and gift cards
- No clients or anyone making donations will be allowed inside the building, everything will be done outside the door
- Roxbury Social Services will continue to operate on its typical Monday, Wednesday, Friday schedule from 8am-12pm each day

We will provide an update regarding social service's annual holiday program in the near future.

Roxbury Dial-A-Ride will start to limit their runs to medical appointments, medicine pickups, and ShopRite beginning November 30th. Please call Dial-A-Ride for further information (973-448-2058).

As mentioned earlier today, many town employees will be starting to switch to a more remote working environment. We will be accessible via email, phone, and our Roxbury Recreation social media accounts. If by chance you need to drop something off to Roxbury Recreation, please contact us ahead of time.

We ask that you continue to follow the guidelines set forth by the CDC, NJ DOH, Roxbury Health Dept., as well as state and local officials. We would also like you wish you all a Happy Thanksgiving and encourage you to be safe as we start the holiday season.

Sincerely,

Roxbury Recreation
