

ROXBURY RECREATION

To Interested Roxbury Recreation Travel Basketball Families,

Players interested in trying out for the Roxbury Recreation Travel Basketball Team you must register and pay for recreation basketball (\$85.00) before tryouts. Players interested in trying out for the teams should attend both sessions to get the best opportunity to showcase their skills. Try outs will be handled by independent third-party evaluators. This evaluation process is closed to all spectators, parents, and coaches. The evaluation process is looking to create teams for both boys and girls, at each grade level. Participants will be given colored and numbered practice jerseys, please make sure to wear the same jersey for both sessions, as not to be missed in the evaluation. Each year is new and different; players develop and change, thus the dynamics of each team may change each basketball season. There are no guarantees that two teams will be created at each grade with a high number of participants. There is no guarantee each grade will have a team. This evaluation process will be final, no exceptions. The selection process will not be compromised. Best of luck to all participants, please come prepared to do your greatest.

All players will be notified via, Community Pass email, (please check that all information is correct) that they will be offered a roster spot on the Travel Basketball Team or the in-town Recreation Basketball program. Travel teams will play during the week and on weekends. Participants are responsible for their own transportation to and from each game. The season runs from November to March. Additional to the registration fee, the Travel fee is \$60.00 due to Roxbury Recreation before the first practice. Lastly, uniform costs organized with the team's coach.

Masks entering the building are mandatory, no masks will be worn during the tryout.
