

Beach Blast is made possible by our sponsors. We cannot do this without them!

2022 Beach Blast General Info

- Parking and traffic flow are being directed by Roxbury Police and other Roxbury Twp Staff. Please follow their directions. Parking in restricted areas is strictly prohibited.
- All activities are on the HSL Fairgrounds, commonly referred to as the HSL Island. There are no other activities or vendors at any other site on the premises. If you are just coming for the fireworks, you are free to sit anywhere on the property to enjoy the show! The front lawn of Eisenhower Middle School is also a great place to watch the show!
- If you park near the fairgrounds, once it is 8:40pm you **must** remain there until the conclusion of the fireworks. **Fishermen's Lane (road parallel to the train tracks) will be shut down at 8:40pm and will not re-open until the conclusion of the firework show.** At the conclusion of the fireworks, the Roxbury Fire Department will perform a final check with the fireworks company before the road re-opens.
- The HSL Beach will open to the public beginning at 7:30pm. You do not need to be a beach member to watch the fireworks from the beach.
- Some food vendors accept credit cards and/or Venmo and some do not. Please be sure to have cash with you if you would like to purchase food. There will be no ATM on site.
